### REFLECTION

One of the joys of my life is my  
daily walk each morning. Even  
though I walk the same path most  
days, I always see something new.  
God is all around, revealing God-  
colors and God-sounds and God's  
wonderful creations.

*All things came into being through  
God and without God, not one thing  
came into being.* What if we looked  
at the world through God's lens?

Oh, how that would change the  
way we treat each other, the natural  
world around us and even  
ourselves. May we see the world  
the way God sees us.

### Something to Think About

Believing in Jesus means making him  
the centre, the meaning of our life. Christ  
is not an optional element: he is the  
"Living Bread", the essential  
nourishment.

### LITURGY 101

*Welcome to Liturgy 101 - back to basics!*

**Week 11: Liturgy of the Word -Part 3  
"Gospel & Homily"**

At the heart of the liturgy of the word  
is the Gospel. Over a period of 3  
years we reflect on the four Gospels.  
Each Gospel gives us a different  
perspective of Jesus and his message.  
This is followed by the Homily which  
will give us meaning to the readings  
and will nourish us in the upcoming  
week. The homilist tries to share  
their experience of Jesus and the way  
that readings speak to them. You  
may find that the homily can be  
boring, especially if you arrive late,  
have not paid attention to the  
readings and have missed the general  
context. Why not invest in a Mass  
book/Missal?
