ST PAT'S PICNIC

Our annual picnic was a huge success as
it was a coming together of our beautiful
St. Patrick's community. Parishioners of
all ages had a great time!!

I would like to give a heartfelt thank you
to the volunteers who step up time and
again to ensure these events are
successful.

A big thank you to the Knights of
Columbus, also known as, grill masters
and corn on the cob connoisseurs! For
taking on the task of cooking every year.
Although this is not a fundraiser, we were
able to profit \$420.00!

Thank you for your continued support

SOMETHING TO THINK ABOUT

We always find that those who walked
closest to Christ were those who had
to bear the greatest trials.

ST. TERESA OF JESUS

REFLECTION

Again and again, Jesus's actions
challenge us to rethink our attitudes
toward the marginalized or excluded in
our society. Do we have the courage to
sit with those deemed unworthy by your
culture or our biases? Can we see the
divine in all people, regardless of
background or identity?

Jesus's abundant love made people
uncomfortable because it was outside the
rules. We don't heal on the Sabbath. We
don't consort with "those people." We
have rules. We follow the rules. If we
live into Jesus's love for all, how will this
challenge us? How will it change us?
Who will we become? Like the Pharisees
in the readings, we are frightened by this
approach. The mindset of scarcity
produces fear and division. And doesn't
that speak to us as a church right now?
What is comfortable to us is scarcity. We
are scared of abundance for all people
because our worldview might shift, and
our own sense of self and others might be
transformed. Let us strive to be like
Jesus, who was willing to sit at the table
with all people. Even us.
