GIFT OF CONFESSION

Confession is now known as Reconciliation. Vatican II has put the focus on God's love and His desire to heal and care for each one of us.

As a parent is affected and kept awake at night when their children make the wrong decisions, so to is God affected. He really cares for each one of his children.

In the sacrament of reconciliation, God wants to tell us personally that we are loved and that through reconciliation we are now in communion with him. Through His grace, He loves us, heals us, and help us grow.

Due to the lack of priests, the church gives the permission to have general absolution during a reconciliation ceremony. This does not take the place of individual confession for serious matters. It is a gift from the church to help us prepare for Christmas and to reflect on our reality

Please join us on December 17th.
