REFLECTION

Trinity Sunday: A feast sometimes misunderstood and often dreaded by preachers. Too often we think of the Trinity as a technical or esoteric doctrine that is somehow disconnected from our everyday lives.

In John's Gospel we are reminded that God is love, a communion of persons that reaches out in history with the offer of friendship and salvation. God the Father declares his love for the world by sending his son.

We are called to witness to God's love, not simply by holding up signs emblazoned with the phrase "John 3.16", but rather by living as Jesus did, by serving the mystery of communion with God and neighbour in our daily lives.

SOMETHING TO THINK ABOUT

Divine love brings with it every good and banishes every evil.
